2022 TRUST PROPOSAL APPLICATION

Executive Summary

Title of your proposal: OHA Maintenance (Wabasca Crew)

Project Start Date: ___July 2022_____ **Expected end date:** ___July 2023_____

Executive Summary

This Summary gives the reader a concise overview of the project's purpose; the team's research; progress; and process of the project. Summarize the importance of the project and its main objective.

Bigstone Housing is underfunded with the highest demand in our Nation, Membership requests are on going from Renovations to home maintenance and a back log for new housing requests. Our main objective is to bring up the housing stock and also eventually bring up the Living Standards to all the homes on Bigstone reserve..." committed to the pursuit of the highest quality of life for all its members"

Description

Describe the nature of the project, it's overall goal and value to the Membership and to the Community. Be concise and brief without sacrificing the necessary details. Start your message with a brief introductory sentence followed by bullet points to highlight the purpose of the project.

The OHA Maintenance (Wabasca Crew) will complement the Housing Program to deal with on going Housing Crisis, Over the years our Employees get burnt out with the Nation housing because it is in such demand, with over 700 homes on the reserves. Managers and Employees get overwhelmed with work load that leads to stress and quality of service becomes an issue.

- This proposal is made to help spread out the work load by hiring Certified Tradesman and Maintenance workers to focus on the nations Home Maintenance and Renovation issues.
- By having more staff in our Housing department will help us give the members a better service and a have a better quality of work.
- Having Certified tradesmen on staff will also give opportunity for the youth to get into the trades of Carpentry, plumbing & Electrical.
- Other specific tasks will also include working closely with our renovation programs using the Housing Policy as a guide and bringing the living standards up for our Nations Members.

2022 TRUST PROPOSAL APPLICATION

Goals of your proposal:

You should provide data that describes relevant statistics and qualitative observations that outline the requisites of your project. Make it easy for the reader to understand why your project is important, how it is uniquely suited to address a specific challenge/barrier and how it will meet the needs of Membership and the Community.

With over 700 homes on the reserves in Wabasca Bigstone Housing gets roughly 800 – 1000 service calls a year included in service calls our maintenance team also assist with renovations that are minor or major. Using our workorder process we have helps Housing keep track of the type of service calls and any request the members have. In order to keep up with the demand of these services Housing needs to acquire funds from all available sources. The goal of this proposal is to spread out the work load by hiring personnel to focus on the specific tasks using the Housing Policy as a guide and bringing the living standards up for our Nations Members.

Target Timelines and outcomes for each Quarter (provide a brief summary):

July-September

During these months the maintenance team will have completed workorders assigned to them. Maintenance team will also start a plan for preventive maintenance for elder members homes.

October-December

Maintenance team will continue to compete assigned workorders. The preventive maintenance plan will be started to have as much elder members home ready for the winter months.

January-March

Maintenance team will continue to compete assigned workorders. An updated elder Preventive maintenance plan will be made to have any members home ready for spring.

April-June

Maintenance team will continue to compete assigned workorders. The updated elder preventive maintenance plan will be started.

*Add additional sheets as needed

Result:

Having OHA Maintenance team go and completing workorders helps the keep the members homes up to a proper living condition. With a preventive maintenance plan that will help not only the elders but also give the members some responsibility into keeping their home safe from deterioration due to the elements of weather and to catch any repairs that are needed before they cause any damage to the members homes.
